

## 2019 Tri Series Development Squad Q&A

### **What is the Development Squad?**

These are the next best 8 City players and next best 8 Country players as per selections after all 3 Tri Series Teams have been named. They are not selected in positions but on overall finishing rank from the State Cup weekend selections.

### **Will the Development Squad play anyone?**

No, these players are players that can be called into any of the 3 Tri Series Teams at any stage into the lead up to the tournament to replace players who are withdrawing.

### **Do Development Squad Players need to order a Uniform and pay Registration?**

All Development Squad players are required to pay registration and order a uniform to secure their interest in being possibly called into a team. Those players who are called into teams prior to uniform cutoff dates will have their uniform produced.

### **What happens if the Development Player is called into the team after uniform cutoff?**

Should a Development Squad player be called into a Tri Series team after uniforms have been sent to be produced then their uniform will not be produced. This player will take the uniform of the player that is withdrawing instead.

### **What happens if the Development Squad player does not get called into a team?**

All Development Squad players who are not called into a Tri Series Team will be offered a full refund.

### **Where can I get more info?**

Simply call Queensland Oztag on 1300 469 824.
