| 18               | 17              | 16            |

With this format there are some minimum requirements that need to be met for these teams to compete at Super Series to ensure that they are of high quality and competitive.

| Super Series Teams | State Cup Teams | Total Players |
|--------------------|-----------------|---------------|
| 1                  | 2               | 34            |
| 3                  | 6               | 84            |

### **\*Important Information\***

- Teams are listed as per available players – some players decided to make themselves unavailable for selection due to various reasons.
- Players are listed alphabetically in order of venue not selection order (this includes Development Squad Players).
- Please ensure a complete uniform with shirt number and registration is purchased prior to the cut off listed on the website (this includes Development Squad Players).
- Please refer to the refunds policy to see updated refunds information.
- State Cup divisions with only 7 or 8 teams in their division will have the 7<sup>th</sup> and/or 8<sup>th</sup> finishing team split throughout the 3 teams to ensure a fair and large enough selection pool of players for the 3 teams.
